SCHEDULED UNIT POLICY

Submission Requirements

MC/DOT numbers (Inter and Intrastate)

Equipment list – Make and model (values must be included if physical damage coverage is requested)

Driver list – Age, hire date, years experience and CDL numbers for each driver

Motor Vehicle Records (MVRs) – For accounts with four or more units current MVRs (or a summary of accidents and moving violations) are required. If less than four units, MVRs are only required at the time of binding.

Cargo Commodities – A list of commodities hauled

Loss history – Three years of loss history is required

- Indicate "0" if no losses
- Loss runs must be sent to the underwriter if total losses exceed \$5,000

Schedule B's or IFTA Reports for most recent 12 months

Midwest General Agency, Inc.

Since 1932 R.W. Scobie Inc. www.rwscobie.com and its subsidiary, Midwest General Agency have played an active role in the insurance marketplace. During this time we have provided the independent agents of Wisconsin and Minnesota with access to high-quality insurance markets. Our attention to detail, emphasis on service and long relationships with insurance companies and agencies alike have all contributed to our long-term success. Our continued pledge to excellence and our commitment to the independent agency system are key ingredients to our future plans and serve as a cornerstone of our operation. We look forward to the future and the continued opportunity to provide reliable markets for you and your clients.

Midwest General Agency proudly sells Sentry Insurance, a leading insurance provider for the transportation industry. With assets of \$10 billion and a policyholder surplus of more than \$3 billion*, Sentry is rated A+ by A.M. Best. Sentry protects businesses with property, casualty, life and retirement products.

*Assets and policyholder surplus as of Dec. 31, 2009
